The territory of Salve, Ruggiano and its sea areas is very wide and its natural beauty, its historical and artistic heritage are the strong point of our tourist offer.

To safeguard and enhance this environmental and cultural richness, we ask you to contribute by paying the **tourist tax**.

It is paid for a maximum of 7 consecutive nights spent in each type of accommodation facility. The tourist tax is due from June 1st to September 30th and the rates are as follows:

TYPE OF ACCOMMODATION	CLASSIFICATION	Tax
Campgrounds. Areas equipped for temporary parking. Camper areas.	/	0,90 €
Vacation houses and flats. Farms. Tourist hotel residences. Tourist villages and hotel villages. Holiday homes. Guest Houses. Hotels. Furnished housing units for tourist use. Accommodation of any kind managed by real estate brokerage agencies and similar.	1 - 2 - 3 stelle	1,35 €
Hotels. Tourist hotel residences. Tourist villages and hotel villages.	4 - 5 stelle	1,80 €

NB: They are exempt from paying the tourist tax, after signing a special form: minors within the age of 18, sick people and those who care for patients admitted to health facilities (at the rate of one person per patient), parents carers of sick people under the age of eighteen and bus drivers / tour leaders who provide assistance to groups organized by travel agencies (the exemption applies to each coach driver and a tour leader for every 25 participants).

The revenue from the tax is used by the Municipality to cover various items of budget expenditure, aimed at improving reception and permanence in our community.

We inform you that, upon payment of the tax, you will receive a payment receipt, which allows you to benefit from reductions on the purchase price of goods and services at participating shops.

Happy to host you again if you want it, we wish you a pleasant stay.

Sincerely
